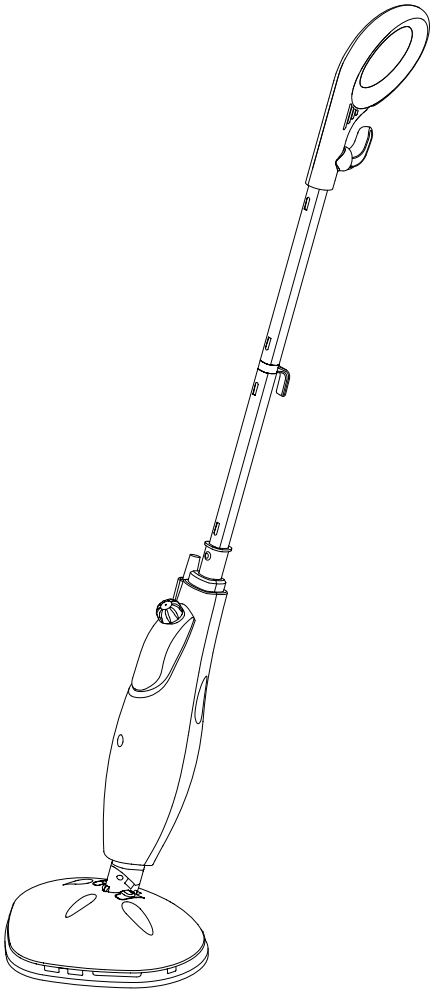
Vibe Steam Mop

SSM-3003



INSTRUCTION MANUAL

INTRODUCTION

Thank you for choosing Sienna for your household cleaning needs. Our floor care products use the active power of steam without the use of chemicals; making it a green product that is safe for the ecosystem. You have begun the first step into transforming your house into a green, environmentally safe home. Our Sienna steam products are a modern way of cleaning that is efficient and far more sanitary than conventional methods.

When using our 100% cotton premium microfiber cloth pad with duster loops to enhance absorbency combined with the power of germ killing steam, dirt and grime can be eliminated in a matter of seconds. The tiny hot vapor molecules penetrate porous surfaces being cleaned, expanding and forcing dirt, debris, and bacteria to the surface. When used correctly, our steam mops can kill dust mites and certain types of bacteria pathogens such as salmonella and E-coli on contact.

Since you do not need chemicals in order to use our products, not only will you see the savings in your wallet, but you have provided a safer place for you and your family to live in. We encourage you to improve your way of life, better the environment, and spend time enjoying your clean chemical free floor.

Vibe

The Vibe Steam Mop is an innovative product that cleans and sanitizes your home by harnessing the natural cleaning power of hot steam vapor. This unique versatile steam mop is well-suited to clean a variety of floor surfaces. Not only is the Vibe great for floors, but it can also be used on an endless amount of surfaces by simply removing the handle and using it as a handheld steamer. The Vibe heats water up to 212° F and produces steam within 2 to 3 seconds. It can be refilled swiftly for virtually unlimited steam time. In addition, the included carpet glider ensures that your carpet is clean and sanitized. The user-friendly design is intended to tackle the toughest dirt and debris. It features a 1500-watt heating element, a 260ml/10 fl oz water tank, a 180-degree swivel head, 2 premium microfiber pads, and much more.

SAFETY GUIDELINES

The Sienna Vibe (SSM-3003) Steam Mop is for indoor domestic floor use only. Any commercial use will void warranty. It is designed for sanitizing and cleaning an array of floor surfaces such as carpet, ceramic tile, sealed hardwood, marble, sealed laminate, stone, and vinyl floors. In addition to floors, you can also use the Vibe on countless surfaces such as countertops, windows, and shower walls.

Safety Instructions:

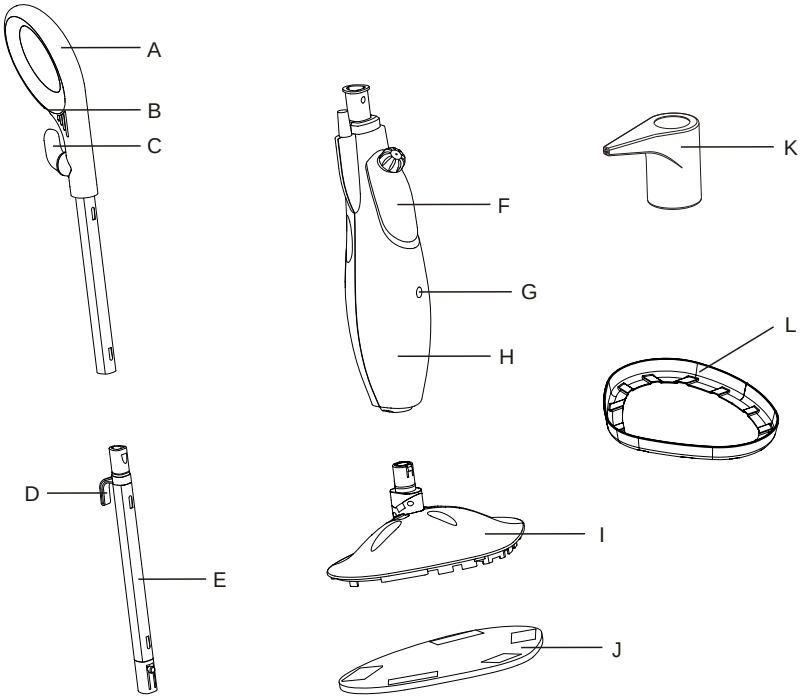
⚠ WARNING: BE SURE TO READ AND FOLLOW ALL SAFETY INSTRUCTIONS BEFORE USING YOUR STEAM MOP. PROPER CARE AND MAINTENANCE WILL HELP TO EXPAND THE LIFE OF YOUR STEAMER.

When using an electrical appliance, basic precautions should always be followed. To reduce the risk of fire, electric shock, or injury:

- Be sure to unplug the electrical cord when appliance is not in use and while servicing.
- Do not leave the steamer unattended while young children, pets or infirm persons are around.
- Children should be supervised and cautioned that the steamer is not a toy and should not be played with.
- Do not direct steam towards people, pets, electrical appliances, or electrical outlets.
- Do not immerse the steamer in water or other liquids.
- Do not handle steamer with wet hands.
- Do not pull power cord to disconnect appliance from socket or use cord as a handle. Be sure to keep cord away from heat, water, and sharp edges.
- Do not use if cord or plug is damaged.
- Do not use extension cords or outlets with inadequate current carrying capacity.
- Do not use steamer on any steam sensitive material such as velvet, leather, wax polished furniture or floors, synthetic and other delicate fabrics.
- Do not use on unsealed hardwood floors. By doing so, you may remove the sheen from the steam. It is recommended to test an isolated area with the steam mop before proceeding. As a precaution, you should check the manual made by the floor manufacturer for proper care instructions.
- Never put cleaning detergents or chemicals into the steamer as it will make the product unsafe and damage the unit.
- Do not use steamer without floor cloth pad in place.
- Use only manufacturer's recommended accessories.
- Stop using steamer if circuit breaker activates. Beware of risk of shock.
- Wear proper shoes when operating your steamer. Open-toed shoes, slippers or bare feet may cause you to slip and fall or cause hot steam on your feet.
- Allow your steamer to cool down before storing in a cool, dry place.

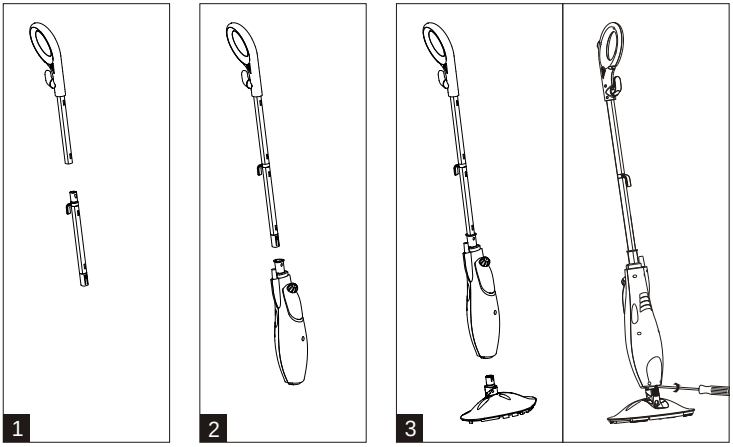
KEY FEATURES

A. HANDLE
B. HANDLE CORD WRAP
C. QUICK RELEASE CORD WRAP
D. LOWER CORD WRAP
E. LOWER HANDLE TUBE
F. WATER TANK
G. LED
H. STEAMER BODY
I. STEAMER HEAD
J. CLOTH PAD
K. MEASURING CUP
L. CARPET GLIDER



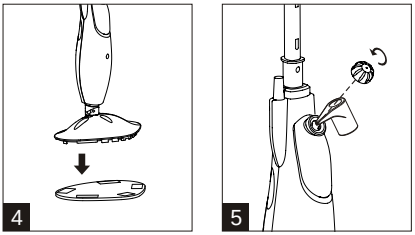
ASSEMBLY AND USE

1) Attach handle to lower handle tube. (Please see Note below)
2) Attach lower handle tube to steamer body.
3) Attach steamer body to steamer head. Secure steamer head with screw provided until fully tightened (use Philips screwdriver.)



NOTE: Attaching the handle to the lower handle tube requires moderate force and constant pressure as the pieces are designed to fit snug together. It is suggested to place the partially assembled handle perpendicular on a soft; flat surface such as carpet and apply constant pressure with both hands until there is no longer a gap at the connection point.

4) Set cloth pad on the floor with microfiber side down. Align self adhesive strips at the bottom of steamer head with cloth pad. Place unit on top of cloth pad and apply pressure to assure hold.
5) Unscrew the water tank cap and fill with cool tap water by using measuring cup provided.



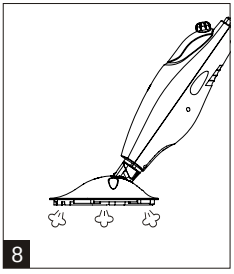
NOTE: The steamer does not require distilled water. Residents in areas with hard water should used distilled water for better performance.

6) Twist the quick release cord wrap clockwise to un-wrap the power cord completely. Hang the cord on the handle cord wrap for better use of the steamer when moving and cleaning.
7) The LED will illuminate when the steamer is ready for cleaning.

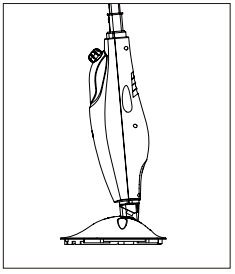
NOTE: It is recommended that another high wattage appliance is not operated on the same circuit to avoid a circuit overload.

⚠ WARNING: ON SURFACES THAT HAVE BEEN TREATED WITH WAX, THE WAX MAY BE REMOVED BY THE HEAT AND STEAM ACTION. DO NOT USE ON UNSEALED WOOD FLOORS OR LET UNIT STAND ON ANY WOOD FLOOR FOR AN EXTENDED PERIOD OF TIME. THIS MAY CAUSE THE WOOD GRAIN TO RISE. IT IS RECOMMENDED THAT A SECTION BE TESTED IN AN ISOLATED AREA OF THE FLOOR. IT IS ALSO RECOMMENDED THAT YOU CHECK THE USE AND CARE INSTRUCTIONS FOR CLEANING FROM THE FLOOR MANUFACTURER TO ENSURE STEAM CLEANING IS ACCEPTABLE FOR YOUR FLOOR.

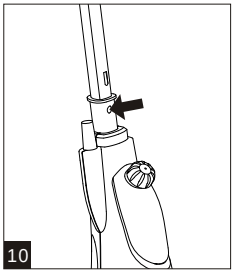
8) Pull down on handle to release and unlock steam for use. To stop steam, simply push handle back to upright and locked position.



8



9) Slowly pass over surface to be cleaned when steam is emitted. It is recommended to sweep or vacuum floor prior to using the steam mop.
10) For maximum use of your unit, press button on lower handle tube to release the handle from the steamer body. Use the newly converted handheld steamer on all surfaces vertically and horizontally for your cleaning and sanitizing needs.



10

⚠ CAUTION: To sanitize an area of your floor, leave the steamer over the area for a minimum of 8 seconds, but no longer than 15 seconds. Leaving the steamer in a stationary position for a longer period than recommended may cause build up of pail residue. This residue can be removed by using a decalcifying product or with a few drops of vinegar.

11) When steamer stops emitting steam simply refill the water tank and continue cleaning.

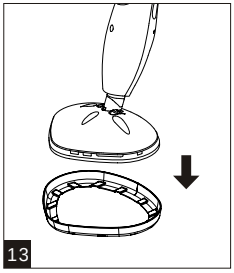
⚠ WARNING: NEVER RUN THE STEAMER WITHOUT WATER.

12) When you finish cleaning, unplug power cord from outlet. Be sure to empty water tank and carefully remove cloth pad from steamer head. Store the unit upright in a dry area or hang it by the storage hook.

⚠ CAUTION: The cloth pad may be very hot.

Carpet Glider

13) Lay carpet glider on the floor in an upright position with the triangular flat surface facing downward. Place steam mop head on top of glider.



IMPORTANT: The carpet glider is not designed to be fixed to the floor head for safety reasons including preventing burns. It is designed for use on soft carpet areas only, not for hard floor surfaces.

CLEANING AND MAINTENANCE

⚠ CAUTION: Prior to cleaning or maintaining your steam mop, isolate the unit by removing the cord from the power socket and avoid immersing the unit in water.

1) The microfiber cloth pads can be machine washed in hot water and tumble dry. Do not use bleach or fabric softener. Allow to dry fully before use.
2) Wipe steamer with soft cloth when/if necessary.

Product Specs:

Voltage supply: 120, 60 Hz
Output: 1500 W
Water tank capacity: max. 10 fl oz.
Cord: 16.4 ft.
Weight: 3.2 lbs.
Protection class: 2
Pads: SSM-3003-CP 2PK

TROUBLESHOOTING

⚠ CAUTION: Prior to cleaning or maintaining your steam mop, isolate the unit by removing the cord from the power socket.

PROBLEM	SOLUTION
LED is not on	• Ensure steamer power cord is correctly plugged into a 120V AC power outlet only. • Ensure circuit breaker is operational. • Try operating steamer from another power outlet. • If unit is still not working, call customer service at 1-888-574-3662.
No steam	• Ensure water tank is full. • Calcium and mineral deposits can build up and impact the performance of your steamer, use distilled water if necessary.
Pale residue left on floor	• This can be caused by leaving the steamer in the same spot for too long. Residue can be removed with household white vinegar or a decalcifying product. • Alternatively, reheat the area for one minute to remove residue (do not overheat area.)
Steamer is leaking water all over the floor	• The microfiber cloth pad may be overused and needs to be changed out with additional cloth pad(s) provided. Cloth pads can be cleaned in washer/dryer. Over time, however, the cloth pads can start to wear. • Be sure microfiber cloth pad is attached properly. • If the unit should continue to leak water, unplug and wait 5 minutes before trying again.
Floors are cloudy, streaky or spotty after mopping floor	• Be sure to use light detergent when cleaning mop pads, any residue on pad may be transferred onto floor. • Replace cloth pad with a new; clean one for effective cleaning. • If initial use of steamer, past cleaning products may have left a residue on your floor, continue to go over effected area until there is not residue or steaks left behind.

CUSTOMER SUPPORT

For problems with your Sienna Steam Mop, please refer to Troubleshooting guide. Additional inquiries should be directed to our Customer Service department by calling 1-888-574-3662 or by e-mail to: customerservice@anvidproducts.com.

You may purchase replacement pads and accessories on our website at: www.buysiennaproducts.com.

ONE YEAR LIMITED WARRANTY

Our Sienna product warranty extends only to the original customer purchaser of the product. It is warranted by the manufacturer to be free from all defects in materials or workmanship for a period of one year from the date of original purchase. This warranty is subject to the following conditions, exclusions and exceptions.

Exclusions:
This warranty does not cover normal wear and tear of parts and does not apply to any product that has been tampered with or used for commercial purposes. This warranty does not cover damage caused by misuse, abuse, negligent handling or damage due to mishandling in transit or shipping. This warranty does not cover damage or defects caused by or resulting from repairs, service or alterations to the product or any of its parts, which have been performed by a repair person not authorized by the manufacturer. This warranty is effective only if the product is purchased and operated in the USA or Canada, and does not extend to any units which have been used in violation of written instructions furnished by the manufacturer, or to units which have had the serial number removed, altered, defaced or rendered illegible.

Performance:
During the limited warranty period, the manufacturer will, at its option, repair or replace free of charge a defective product or part that is covered by this warranty. As a matter of warranty policy, the manufacturer will not refund the purchase price. A repaired or replacement product will be covered by this warranty for the balance of the initial one year warranty period.

Write: Anvid Products, Inc.
1401-1499 Greenville Road
Livermore, CA 94550

E-mail: customerservice@anvidproducts.com

Or call: 1-888-5SIENNA (1-888-574-3662)

Please refer to your product name and model number when contacting Customer Service.

Customer Service will give you further instructions for returning a defective product for repair or replacement. When returning a defective product, carefully pack the item to avoid damage in shipping, the manufacturer cannot assume responsibility for loss or damage during incoming shipment. We recommend that you insure the package, as damage in shipping including the shipping cost is not covered under our warranty. Be sure to include the following items with your product: any accessories related to the product, your name, complete address and phone number, a note describing the problem you experienced; and a copy of your sales slip or other proof of purchase to determine warranty status. C.O.D. shipments cannot be accepted.

Limitation of Remedies: No representative or person is authorized to assume for the manufacturer any other liability in connection with the sale of our products. This limited warranty is not transferable and any sale, transfer or other disposition of the product voids this limited warranty. There shall be no claims for defects or failure of performance or product failure under any theory of tort, contract or commercial law including, but not limited to, negligence, gross negligence, strict liability, breach of warranty and breach of contract.

ANY IMPLIED WARRANTIES, OBLIGATIONS, OR LIABILITIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, SHALL BE LIMITED TO THE DURATION OF THIS WARRANTY. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

REPAIR OR REPLACEMENT SHALL BE THE SOLE REMEDY OF THE PURCHASER UNDER THIS LIMITED WARRANTY, AND IN NO EVENT SHALL THE MANUFACTURER BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES YOU MAY INCUR IN CONNECTION WITH YOUR PURCHASE OR USE OF THE PRODUCT OR FOR ANY BREACH OF THIS OR ANY OTHER WARRANTY, EXPRESS OR IMPLIED, WHATSOEVER. Some states do not allow the exclusion or limitation of special, incidental, or consequential damages, so the above limitation may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
